BroadSpan Advises FMO and DEG in Costa Rica Restructuring

San Jose, Costa Rica – June 2020 – We are pleased to announce that BroadSpan Capital LLC acted as exclusive financial advisor to Nederlandse Financierings-Maatschappij voor Ontwikkelingslanden N.V. (“FMO”) and Deutsche Investitions - Und Entwicklungsgesellschaft mbH (“DEG”) in the financial restructuring and successful resolution of their exposure to Upala Agricola.

Upala Agricola, an agro-industrial company, located in Upala, Alajuela, in the northern region of Costa Rica, is one of the world’s premier pineapple producers, with nearly 2,000 hectares dedicated to the production and export of fresh pineapple. FMO and DEG, Dutch and German development banks, respectively, are committed to providing long-term capital in traditionally under-served countries and industries.

BroadSpan Capital served as exclusive financial advisor to FMO & DEG for this transaction. Dentons Muñoz acted as the local legal advisor to FMO & DEG for this transaction.
